

Arrival Information

Updated July 2026

- **Parking:** Please park either in our driveway or in front of our house. Watch out—we have a high curb on the street, which can damage the passenger-side car door.
 - Several people across the street have no driveways—please don't park there.
 - If you have a big group, please park in front of #207 (white Cottage) or on 2nd Street between Mozart and Market (1/2 block East). There is a long portion of 2nd Street with no homes or parked cars.
 - **Beware of the significant drop off to the east of the driveway**, one passenger fell while exiting a passenger-side door.
- **Thermostats:** There are two thermostats - upstairs and down. When arriving at the house, adjust both as needed. Text John or Mary (#'s below) with any questions.
- **Garbage/Kitchen Trash** There is a large roller can by the railroad ties at the head of the driveway. **UNIQUE TO HERMANN: No loose trash can be in the roller can, only kitchen or black trash bags.** The trash guys lift each bag from the roller can, and will leave any loose items. Also, unfortunately, Hermann doesn't have curbside recycling. If you recycle, please take the items home.
- **Towels:** *Dish Towels* – Kitchen under silverware drawer. *Bath Towels:* Main floor bathroom cabinet above toilet, and in the glass cabinet at the top of the stairs (2nd floor).
- **Bath Tissue:** In hall closet on 1st floor or linen closet in shared upstairs bathroom w/tub.
- **Paper Towels/Napkins/Trash Bags:** In the pantry in the kitchen, floor level.
- **Electronic Deadbolts:** Both doors operate with an electronic deadbolt. After entering the code you'll hear a click. Just turn the lock and turn door knob to the right. TELL YOUR FRIENDS THE CODE in case you are separated. **(oh, there are stories ☺)**
- **Neighbors:**
 - To the West: Donna at Nestle Inn (you face their house when washing dishes in kitchen). Very friendly and helpful Cell 314-402-0096
 - To the East: Cottage with large porch-----→
(John also owns the cottage)
