

The Hermann Craftsman: Main Floor Photos

Main Floor Photos

The two
main floor
bedrooms
share a
hall bath
with tub

*This Kitchen is for
Dancing*

The Craftsman
was built as a
boarding
house in 1910,
and was far
ahead of its
time, with no
radiators and
central heat

Guest gratitude is
frequently shared on
kitchen chalkboard

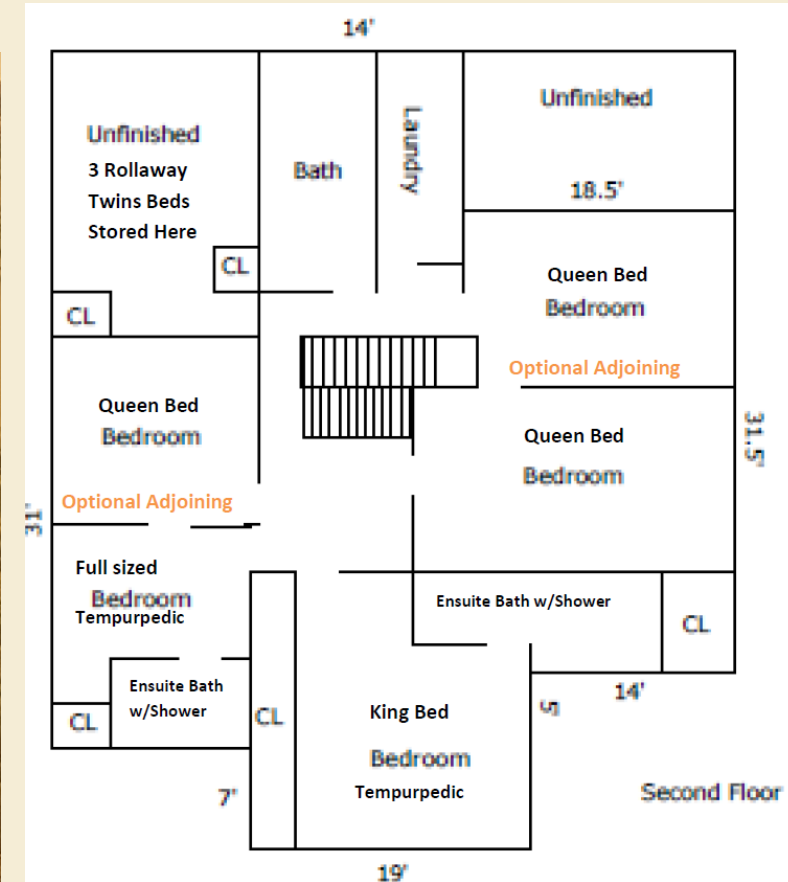

Original Butler's pantry from 1910
with a granite countertop bar

Kitchen has double oven, and a
gas stove open to socializing

Second Floor Photos

The Second Floor has 5 bedrooms off a landing. Three share a hall bathroom with tub, two have ensuite bathrooms. There is zoned air conditioning and heat for 2nd floor.

Second Floor Photos

This bedroom boasts a friendly dog spirit, independently verified by many guests unaware of the story upon their arrival.

Adjoining doors labeled in floor plan

Primary Suite 2nd Floor over front porch

Primary Suite
Bathroom has a large shower
